

# HR Responsible Candidate

---

**Name:** Nicole Piková

**Age:** 22

**Studies:** Tourism and regional development  
University of Economics in Prague  
Faculty of International Relations

## Activities in AEGEE:

- member since January 2015
- SU AEGEE Praha (helper)
- SU AEGEE Valencia & AEGEE Castelló (participant)
- LTC AEGEE Praha
- Autumn Agora Kyiv (visitor)

## AEGEE motivation:

I would describe my story with AEGEE in five words: LOVE FOR THE FIRST SIGHT. My first impuls why to join AEGEE was during the European day of languages last year. I saw a group of young interesting people who love to get to know foreign cultures, people and places and even during this event I knew I wanted to become a part of it. It has been 10 lovely months of my relationship with AEGEE and during this amazing period of time I've manage to travel to my beloved Spain for Summer University (which was awesome by the way). But that's not it! When I came back home I was so travelling-sick that I applied for Autumn Agora Kyiv even if I've never thought of visiting Ukraine but thanks to AEGEE I was so excited about going there because of the people, atmosphere, possibillity to learn new skills and in general the experience with such a big event.

Since the beginning at AEGEE I wanted to be an active member and that's why I am trying to participate at as many AEGEE activities as possible to gain experience and overview about how other antennas are doing their job.

I consider myself as a fresh member but not a newbie I think I have some experience that I can share but on the other hand I still have in my mind what a newbie needs. I want to help with spreading all the enthusiasm and positive energy that being a part of AEGEE gives me. Because everywhere you go with AEGEE family you are not feeling alone!

## My goals as HR Responsible:

- gain more active members (because not always is number the most important thing)
- mentorship for newbies
- involve more our members to all activities
- more oppourtunities for exchanges with other antennas
- fundraising
